## **BILLINGS AUCTION**

Established in the heart of Downtown Los Angeles' Arts District, BILLINGS AUCTION was created to provide an affordable and accessible platform for the acquisition of quality vintage modern furnishings, art, objects, and accessories. Its founders bring their collective years of expertise and experience, respectively, as Los Angeles dealers and gallery owners, to bear on this singular cross-section of pieces from the pedigreed to the anonymous, and the classic to the unusual. BILLINGS AUCTION was initiated to fill a void in Los Angeles's design market, a decided absence of curated channels for the acquisition of exceptional historical and contemporary pieces. With an accessible price point in place to satisfy this need, the auction house offers rare and noteworthy pieces at a variety of estimates, from low to no reserves to more elevated price points.
